

# TILLAMOOK PUD COMMERCIAL HEAT PUMP PROGRAM

---

Heat pumps are one of the most efficient ways to heat your commercial building. Tillamook PUD offers commercial customers a rebate when installing a qualifying heat pump in an electrically heated commercial building with less than 5,000 square feet of heated space.

## Heat Pump Rebates for Small Commercial Buildings

Heat Pump Upgrade – 8.0 HSPF – 13 SEER	\$500 rebate
Ductless Heat Pump Inverter Driven – Variable Speed Fan	\$500 rebate
Ducted Split System – 9.0 HSPF – 14 SEER	\$500 rebate
Package Units – 8.0 HSPF – 13 SEER	\$500 rebate

In addition to rebates, customers may borrow funds at 5% interest for up to five years, on approved credit. **Any rebate amount will be deducted from the loan amount requested.** The customer will receive bids for recommended work from approved contractors, submit a loan application and supporting materials, and receive PUD authorization to proceed. PUD will inspect the heat pump after installation.

***The rebate program is a limited time offer, based on availability of funds and is subject to change without notice.***
